ÚSTÍ REGION

IDEAL DESTINATION
FOR CONFERENCES AND EXPERIENCES

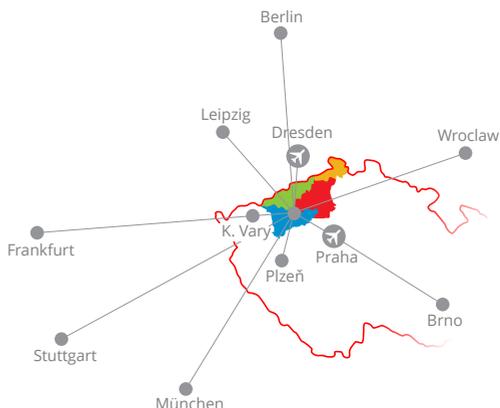

Welcome in the region,

where on one side you can find amazing natural sceneries and rich history, on the other side it is an armful of comfortably equipped places and professional services for organizing various events from big congresses to informal firm events. Thanks to the motorway D8 you are here as fast as from Dresden and the local hospitality, professionalism and service guarantee that your guests will be absolutely satisfied.

The whole region is divided into four separate destinations-Central Bohemian Uplands, Bohemian Switzerland, Lower Poohří and Ore Mountains. Every destination is attractive for something different, quality and no less interesting. Taste a little of each.

Your willing partner in Ústí region will be North West Bohemia Convention Bureau (NWBCB), which is a regional office founded at Destination company Central Bohemian Uplands, o.p.s.(generally profitable company) for the purpose of integration of Ústí region among important destinations for holding events MICE (Meetings, Incentives, Conferences, Events).

Destination agency Central Bohemian Uplands together with NWBCB then play an important role in the development of tourism and congress tourism in Ústí region. The main aim of North West Bohemia Convention Bureau is the development, support and propagation of subjects providing services in the area

of congress, corporative and incentive tourism in Ústí region. At the same time it tries to fulfil a role of a quality partner for organizers and realizers of MICE events.

Activities of NWBCB are at the same time realized in co-operation with the agency CzechTourism and its project Czech Convention Bureau.

Whatever you might be looking for you'll find it here!

NWBCB

Pravčická rock arch

DESTINATION BOHEMIAN SWITZERLAND

Silver walls and Růžovský hill

Kamenická Stráň – half-timbered house

Labské sandstones

The national park Bohemian Switzerland together with its neighbouring Saské (Sächsisch) Switzerland represents a combination of natural beauties of landscape with romantic corners, folk architecture and beautiful rock views that invite you to discover, learn and relax.

Except traditional hiking, there are also possibilities of cycling, horse rides, golf or boat cruises on Labe. Bohemian Switzerland also dispose of many high-quality hotels and most of them even offer conference rooms for firm events, seminars or lectures. To the best ones definitely belongs the House of Bohemian Switzerland with unrivalled capacity and technical equipment for MICE. Bohemian Switzerland and its contiguous protected

zone is a national park with the highest respect to the environment protection, bio diversity development and conservation and recurrence of species and in May 2009 it has won an important prize which is European destination of the highest quality representing the Czech Republic. Since then it belongs among 21 most outstanding European touristic regions.

NWBCB RECOMMENDS

1.

TO THE CENTRAL BOHEMIAN UPLANDS FOR THE WINE

WWW.LOBKOWICZ.COM

WWW.JOHANNW.COM

Roudnice nad Labem – Lobkowicz Winery – award-winning wine tasting in the atmosphere of historical wine cellars – a tour around the winery with a 400-years tradition located in a Romanesque castle – traditional refreshments.

Třebívlice – Johann W Winery – sight-seeing programme WINE ROAD which takes you to the most modern winery in the Czech Republic – professional tasting, production tours, vineyards, accompanying competitions in saccharification and corking, grape harvesting and catering.

2.

TEREZÍN - THE TOWN OF CHANGE

WWW.PROJEKT-TEREZIN.CZ

Discover the town of Terezin as a unique historic water and functional fortress – why and how did the fortress arise, how it was built and what was living in it like? Take the historical lanterns and venture out to explore the unique fortification and its underground corridors.

Retrenchment 5 – the first Terezin Museum dealing with the history of the town and the fortress from the foundation to the period of the First Republic / Exposition of the Barracks – takes you through the life of a soldier in the fortress of the second half of the 18th century / Museum of Franz Joseph – in the artillery barracks you will find 2000 objects related to his person.

3.

ADRENALINE ON THE SECURED PATHS OF THE ELBE SANDSTONES

WWW.FERRATA-DECIN.CZ

WWW.ENTHUSIA.CZ

WWW.HOTROCK.CZ

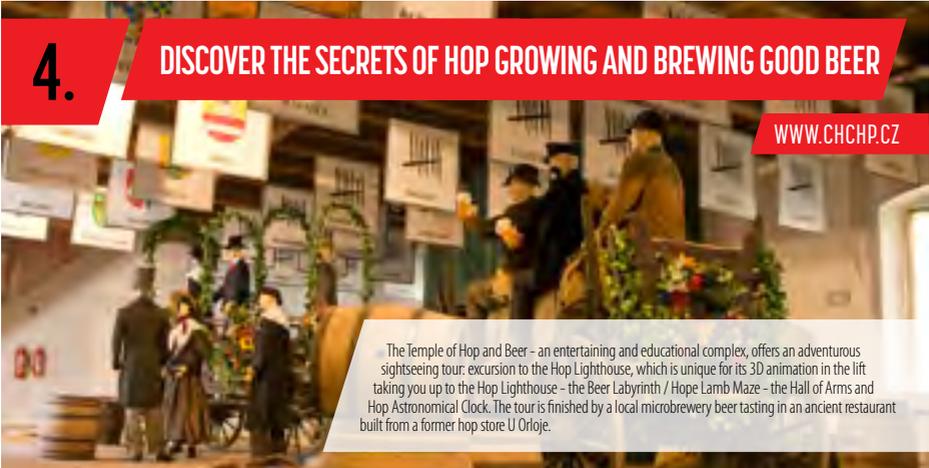

Děčín's Pastyřská Wall is the longest ferrata (secured path) to the top of the sandstone wall in the Czech Republic, which at the same time offers the greatest number of ways in which to climb the wall. It is also the only ferrata located in the city center. There are 14 levels of difficulty and both amateur and experienced climbers can enjoy the path.

Tip: It is suitable to be combined with rafting on the Elbe River or cycling along the Elbe Route for a day-long entertainment program.

4.

DISCOVER THE SECRETS OF HOP GROWING AND BREWING GOOD BEER

WWW.CHCHP.CZ

The Temple of Hop and Beer - an entertaining and educational complex, offers an adventurous sightseeing tour: excursion to the Hop Lighthouse, which is unique for its 3D animation in the lift taking you up to the Hop Lighthouse - the Beer Labyrinth / Hope Lamb Maze - the Hall of Arms and Hop Astronomical Clock. The tour is finished by a local microbrewery beer tasting in an ancient restaurant built from a former hop store U Orloje.

5.

CONTRASTS AND STORIES OF INDUSTRIAL AND WILD LANDSCAPE

WWW.OFFROADSAFARI.CZ

Expeditions through the industrial and wild lands of the northwestern Bohemia. You will experience the enchanting Ore Mountains intersected by arches, the tertiary volcanoes of the Bohemian Central Uplands, the stratospulgans of the Doupov Mountains and the Most coal basin full of giant surface mines and chemical industry. You will learn about the history and present of the most dynamic region in Europe in an adventurous way.
